THE ELECTRIC HEATER COMPANY
LIMITED WARRANTY

Model V (Stainless Steel)

HUBBELL ELECTRIC HEATER CO. This warranty covers both the vessel and component parts on our industrial small capacity electric process type water heater for leakage or any other malfunction caused by defects in materials and/or workmanship. Should failure occur and subsequent examination reveal that the unit failed under terms of this warranty, **HUBBELL,** at its option, will either replace or repair the defective tank and/or components.
-To make a claim, contact the contractor or dealer. If this cannot be done, write to **HUBBELL**, P.O. Box 288, Stratford, CT 06615.

HUBBELL warrants to the original owner, at place of original installation, the water heater to be free from defects in workmanship and materials when placed in normal use and service.

Should any electrical component fail within (1) one year from date of original start-up or fifteen months after date of shipment, whichever occurs first, Hubbell will repair or replace at its option. All defective components shall be returned, freight prepaid, upon **Hubbell**'s request. Replacement parts will be shipped in the usual manner, with their invoice subject to adjustment after inspection of alleged defect. Products purchased by seller shall carry only the warranty extended by the original manufacturer. Hubbell will pay the cost of manual labor for V model repairs up to 90 days after shipment.

For years (1) one through (3) three, should the tank leak, **HUBBELL** will repair the tank at no cost to the owner. If, in **Hubbell**'s judgment, repair is not practical, **HUBBELL** will provide a replacement tank, FOB factory.

This warranty is void if the water heater is not installed in accordance with applicable plumbing codes and local ordinances, and the written instructions in the **HUBBELL** Installation and Operation Manual. This warranty is void if the stamped working pressure and/or a water temperature of 180°F has been exceeded or if non-approved components are installed on the unit.

Other Conditions that will void warranty:

1. *Operation with insufficient water volume.*
2. *The heating of other than potable water with a pH less than 6.5 or greater than 7.5 or any other liquid.*
3. *The use of unauthorized components or operation in a manner not consistent with the information provided in Hubbell's O&M manual.*
4. *The accumulation of excessive sediment within vessel which is usually caused by an inadequate blow down schedule or a restricted drain opening.*
5. *Unit must be inspected annually with a copy of an inspection report forwarded to HUBBELL.*

-**HUBBELL** will not be responsible for building designs that do not allow reasonable access for service, warranty repair, replacement or removal. In the event of a warranty claim, reasonable access and the associated costs will be the responsibility of others.
-This warranty does not cover expenses for original installation service, removal, freight or re-installation. Any Replacement water heater furnished under this warranty shall remain in warranty only for the unexpired portion of the original warranty.
-No one is authorized to make any other warranties, implied warranties, or guarantees on behalf of **HUBBELL**.
-Warranty claims in all cases, must be approved in writing by **HUBBELL** prior to any repair or replacement of defective components.
-Any replacements are made subject to validation by **HUBBELL** for in-warranty coverage.
-**HUBBELL** will not be liable for any consequential damages, loss or expense arising in connection with the use of, or the inability to use, its goods for any purpose whatever.
-**HUBBELL**'s liability, under no circumstances, will exceed the net selling price for goods claimed to be defective or unsuitable.
-This warranty applies to **HUBBELL** water heaters, which have been registered and bear our name and serial number.

ALL IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXCLUDED. THE REMEDIES PROVIDED BY THIS EXPRESS WARRANTY ARE THE SOLE AND EXCLUSIVE REMEDIES AVAILABLE.
