KEEP OUT OF REACH OF CHILDREN

WARNING

Causes mild skin irritation. Causes serious eye irritation. Causes respiratory irritation.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.

GENERAL INFORMATION

Vibrant® XTRAKT premium, low odor, low salt fertilizer is derived exclusively from earthworm castings that rejuvenate the soil and support healthy plants and turf. Vibrant XTRAKT can be used in soil, soilless media and hydroponic environments. Vibrant XTRAKT can be applied to ornamental plants (flowers and shrubs), turfgrass (both lawns and sports and fine turf) and trees as well as vegetable crops, strawberries and greenhouse plants.

DIRECTIONS FOR USE

Dilute to recommended strength in the Application Instructions with water for maximum benefit. Use when plants need water and apply the same liquid amount you do with your regular watering cycle. Can be applied with fertilizers. Apply immediately after mixing.

APPLICATION INSTRUCTIONS

Houseplants & Gardens: Mix 1–2 oz. per 1 gallon of water. Apply every 7–14 days.

Shrubs & Flowers: Mix 3–6 oz. per 1 gallon of water. Apply every 7–14 days.

Potted Trees & Fruit Trees: Mix 1–2 oz. per gallon of water per inch of tree diameter. Apply every 14 days.

Lawns & Turf: 3–16 oz. per 1,000 sq. ft. Apply every 2–4 weeks. Dilution not required.

Hydroponics: Mix 1–2 oz. per gallon of water. Apply every 3–7 days.

MIXING INSTRUCTIONS:

Vibrant XTRAKT goes into solution easily. Agitate tank solution while adding and applying Vibrant XTRAKT to ensure thorough mixing.

Not compatible with herbicides.

Store in a cool dry place away from direct sunlight. Do not store diluted.

Tank Mixes: Do not mix with pesticides or other chemicals without a compatibility test. An adequate test for compatibility involves mixing in a small container the proper proportions of the product with water and the other ingredients. Agitate and let stand for one hour. If a precipitate forms, then apply the products separately.

SHAKE IMMEDIATELY BEFORE USE

CONDITIONS OF SALE:

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions and use. No one other than an officer of the seller is authorized to make any warranty, guarantee, or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the sellers control, the sellers liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price.

PRECAUTIONARY STATEMENTS:

Avoid breathing dust. Wash skin thoroughly after handling. Wear protective clothing/gloves/eye and face protection. Call a poison center or doctor/physician if you feel unwell.
IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
IF ON SKIN: Wash with soap and water.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. If eye irritation persists, get medical attention/advice. Store in a well ventilated place. Store locked up. Dispose of contents/container to an approved waste disposal plant in accordance with local/regional/national regulations.
