Backed by science.

SIGMA MOLASSES

Get more out of each application with this premium liquid molasses.

Microbe Boost

Natural sugars in molasses are a fantastic food source for beneficial microbes within the soil. Works best when applied in combination with Sigma Bio fertilizers to rapidly increase microbe populations.

Plant Boost

Natural carbohydrates, vitamins and minerals in molasses work to give a quick source of energy to plants.

Pathogen Resistance

High brix levels found in molasses help increase plant resistance to many pathogens.
